## Announcement

---

Marshalltown has become nationally known as a prominent and extensive distributing point for the kind of Short-horn cattle that thrive and make money for those who buy them.

Intending purchasers will find that the cattle whose pedigrees appear in this catalog are no exception to the general rule but are an honest well-bred and prolific group in the best condition to do well in their new homes.

A number of cows have calves at foot and such investments are admittedly the surest source of quick profit.

The large number of young bulls listed gives opportunity for judicial selection.

Iowa has produced this year an unparalleled supply of grain and provender for which good cattle offer the most desirable market.

We know that you like good breeding cattle. Come to Marshalltown, June 28, and help yourself to these choice bargains.

Geo. H. Lewis, Sale Manager,  
Rt. 1. Marshalltown, Ia.

Auctioneer: Clair G. Mason, Marshalltown, Ia.  
J. E. Halsey, Fieldman.

# Guarantee

(Endorsed by American Shorthorn Breeders' Association)

---

1. Proper care shall be given by purchaser to protect breeding qualities and health of animals.

2. All bulls guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or be allowed to run with herd when under twenty months of age. In case of failure to be a breeder notice shall be given to seller by the time bull is twenty months of age or within six months of date of purchase.

3. Cows with own calves by side are considered proven breeders. All other cows and heifers, sold as single lot guaranteed breeders, except calves sold by side of dam as one lot and heifers under sixteen months of age at time of sale. Heifers shall not be served for first calf by heavy or old bull. Cows and heifers over three months gone in calf, according to service date furnished at time of sale, but not proving in calf, must be reported to seller within three months from date of sale; all others served within three months of date of sale not proving in calf or not settled, must be reported within six months. Heifers not settled when twenty-two months of age shall be promptly reported. Heifers over sixteen months of age sold open, not settling within six months of date of sale shall be promptly reported.

4. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at time of purchase, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months. The expense of return freight in such case is to be paid by the purchaser. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case animal proves to be not a breeder, then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. No charge for feed or maintenance shall be made by either buyer or seller. Salvage to go to the seller. It shall be understood that the same guarantee given on the first animal shall likewise apply upon any animal later substituted.

5. All animals are sold subject to a sixty-day retest for tuberculosis or to comply with laws of state into which they may be shipped. Animals shall be segregated from buyer's herd until retest is made, except herd be a Federal accredited one. All tests for tuberculosis, either test before sale or retest, shall be made by a Federal or State veterinarian or veterinarian deputed by State veterinarian, who is co-operating with Federal veterinarian and qualified to do accredited herd testing. Purchase price to be promptly refunded upon proof of reaction and return of animal except purchaser shall agree to accept a substitute.

6. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after close of sale and without trouble to the purchaser, but at their risk of loss or injury.

7. TERMS: Cash.

The above guarantee and terms constitute a contract between the buyer and seller.
